

Who We Are

The Community Futures Network was established in 1985 by the Federal Government in response to the severe economic and labour market changes faced by rural Canadian communities.

Your local **Community Futures** is a community-driven economic renewal initiative assisting communities in rural Canada to develop and implement innovative strategies for dealing with a changing economic environment. It focuses on improving the quality of life by enhancing business and entrepreneurial activity.

The Community Futures: Crowsnest Pass

Community Futures Crowsnest Pass is a non-profit organization that operates under the sponsorship of Prairies Economic Development Canada. Alberta has 27 Community Futures offices, covering the entire province except for Calgary and Edmonton. There are 91 Community Futures offices across Western Canada. Each operates separately and distinctly from the other with their volunteer Boards of Directors.

Our office has been in operation since 1987 and previously operated as the Crowsnest Pass Business Development Corporation.

Our Mission Statement

"To provide new and existing enterprises the resources to nurture economic growth and employment opportunities within the Crowsnest Pass."

Our Current Board of Directors:

The Board of Directors is made of volunteer members who are considered leaders in the community and represent a good cross-section of the Crowsnest Pass.

Our current complement of Directors is:

Executive:

- Don Budgen (*Chair*)
- Fred Bradley (*Vice Chair*)
- Jolienne Halisky (*Secretary/Treasurer*)

Directors:

- Dawn Rigby
- Valerie Saje
- Dean Ward
- Jackie Woodman
- John Husch (*Past Chair*)

The Board operates for Investments (loan approvals), planning, community economic development projects, operations, Community Futures, and Prairies Economic Development Canada issues.

Our Office Team

The office operates as a team – Sacha Anderson (General Manager), Marty Neumeier (Business Analyst), Brandy Fehr (CED & Marketing Coordinator) and Karen Rendall (Administrative Assistant).

Prairies Economic Development Canada provides us with operational funding on an annual basis and special project funding from time to time. We operate as a not-for-profit organization under the specific funding guidelines and controls of Prairies Economic Development Canada.

What We Do

Community Futures Crowsnest Pass has Investment funds available to lend to businesses in the community. We hold Investment Funds; Interest earned on these funds is reinvested into the loans program. We have provided loans to many companies in the Crowsnest Pass for start-up, maintenance, and expansion purposes. We are a "*lender of opportunity*" but a much-needed resource in the community, as most conventional financial institutions are reluctant to lend funds to small businesses.

When Do We Do It

For two hours, the Board of Community Futures meets monthly (except for the summer), usually on either Thursday or Friday at 8:30 am. The Board appointments are generally for a 3-year term (maximum nine years).
